

The 60th Victorian Parliament

**SARAH
CONNOLLY** ^{MP}
LABOR MEMBER FOR LAVERTON

DELIVERING FOR THE WEST

Thank You!

With another election over, I've been officially elected as the first State Member for the newly created Laverton District.

It is a tremendous privilege to continue to serve our community in the Victorian Parliament after having served for the last four years as the Member for Tarneit. And I am thankful to everyone that has continued to put their faith in me for the next four.

Looking forward to the 60th Victorian Parliament ahead of us, there is a lot of work to get on with.

Including:

- ✓ *The continued roll out of free kinder for three and four year olds as part of a world class education in The Education State.*
- ✓ *Bringing back the State Electricity Commission to put energy back into the hands of all Victorians.*
- ✓ *The Melbourne Airport Rail Project, now rebranded as SRL Airport, is beginning construction, and it's happening right here in the west.*
- ✓ *The Metro Tunnel is nearing completion, a year ahead of schedule, and it will directly service commuters on the Sunbury line and cut travel times on the Werribee line.*
- ✓ *Works will commence on duplicating tracks between Werribee and Laverton as part of the Geelong Fast Rail project.*
- ✓ *Albion Station is about to get a major \$80 million rebuild, a major win for local commuters.*
- ✓ *Phase One of the Sunshine Station Masterplan will be implemented with \$143 million set aside to begin transforming the station into a major transport hub.*
- ✓ *Construction will start on Truganina's brand-new Education Precinct opening in 2024 with two campuses for a secondary school, a primary school, and an adjoining kindergarten included.*

These are just some of the amazing things our Government is doing, and if you follow me on social media, @SarahConnollyMP, I'll always keep you updated on progress and new announcements.

Building Government Owned Renewable Energy

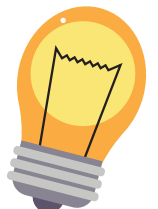

Bringing Back The SEC!

The Government is bringing back the State Electricity Commission (SEC) to drive down power bills with government-owned renewable energy!

This will support the creation of 59,000 jobs, 6,000 energy apprenticeships, and will run for all Victorians - not the profits of private companies.

Importantly, it will also be enshrined in the Constitution to protect it from privatisation for future generations.

More Support for our Nurses & Midwives

The Andrews Government will:

- ✔ Strengthen nurse-to-patient and midwife-to-patient ratio laws.
- ✔ Boost the number of nurses on duty in ICUs, High Dependency Units, Coronary Care Units and Resuscitation Bays.
- ✔ Deliver a \$5,000 sign-on bonus for student nurses and midwives who graduate between 2022 and 2024 when they enter the public system.

More Support for mums, dads, and babies

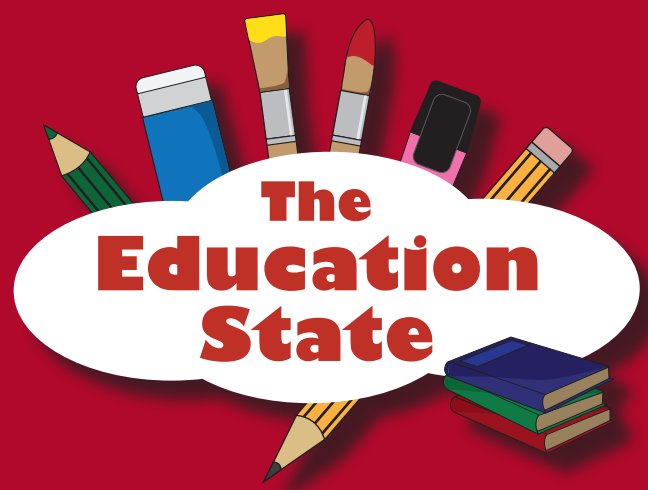

The Andrews Government will:

- ✔ Increase Maternal Child and Healthcare nurses hours.
- ✔ Delivering more lactation consultation appointments.
- ✔ Create and Support Dads groups.
- ✔ Start multicultural story time for kids.

More Support for hard-working Tradies

The Andrews Government will:

- ✔ Provide free vehicle registration for eligible apprentices.
- ✔ Establish an Apprenticeships Taskforce to improve safety and fairness.
- ✔ Establish an inquiry into bosses who refuse to pay their sub-contractors for completed works.
- ✔ Invest \$4 million into a new mental health training program for apprentices of all trades.

The Education State

A world class education is what every child deserves - and it doesn't need to stop when you turn 18.

From early learning to TAFE, and all the years in between, The Education State has got you covered.
